FOUNDATIONS IN PERSONALIZED HEALTH CARE (MDCRC 6150-001)

2 academic credit hours | Mondays, 5:30-7:00 p.m. | HSEB 4100B
1.5 CME credits

This survey course is led by Joshua Schiffman, M.D., Professor of Pediatrics, with invited exceptional speakers covering clinical use cases, pharmacogenomics, genome analysis, informatics, economics and emerging health care models, ethical and legal issues, and much more.

Sponsored by the University of Utah Program in Personalized Health Care and the Center for Clinical and Translational Science (CCTS). Offered through the Master of Science in Clinical Investigation (MSCI) program. This course is open to students outside the MSCI program and can be approved as an elective in other degree programs. A Continuing Education section also is available.

To register, obtain a permission code from Meghan Lynch at (801) 587-0494 or meghan.lynch@hsc.utah.edu.
