UTAH CTSI STARS TL1 TRAINING PROGRAM

APPLICATION ANNOUNCEMENT

The Utah CTSI STARS TL1 Training Program welcomes applications from PhD and MD pre-doctoral and post-doctoral positions.

The Utah CTSI STARS Program provides pre- and post-doctoral training opportunities in translational research across 3 spheres of emphasis (Discovery, Demonstration, and Dissemination) that together define our STARS, or Spheres of Translation Across the Research Spectrum.

We would especially like to encourage applications by those who are underrepresented in clinical and translational science.

Full eligibility criteria can be found on our website below and application can be accessed with your link in the flyer: bit.ly/ctsi-apply

Applications due January 9, 11:59PM MT
